

# How it Works

## STC Escapes are adventure holidays & cultural journeys for teachers

Make the most of the school holiday! Invite your colleagues, partners and friends to Escape to Morocco, Vietnam or Kenya. Hike, bike, cycle, sail or swim, discover a new culture, learn something new, spot wildlife, cook local dishes, stargaze and relax with friends. Alternatively, sign up as a single person and hang out with other like minded people -you are sure to come home with friends of a lifetime.

### Before you go

Call or [email us](#) for a booking pack, register online and pay an initial deposit to secure your place on the team. Your final balance will be split over two payments: 6 and 1 months prior to travel. All pre-travel information such as kit lists and itineraries will be available on your STC online portal. **Sit back and relax.** Ask your STC travel expert if you have any questions and start a countdown until your Escape!

### During the trip

Our bilingual STC Local Leader will guide you to discover the real culture of your destination and find its hidden gems. We'll make sure your itinerary flows as you get stuck in with exciting activities and travel the country. Accommodation, transport and food - all taken care of!

### Support

**All the safety & support of our school expeditions, with the freedom & fun of an adults only trip!** Your own online portal, a STC travel expert, personalised service, insurance, travel advice and a 24/7 emergency support team should you need it.

**Click here to register your interest  
& receive a booking pack!**
